Report on

## **“Gender sensitization”**

Conducted by

**Internal complaints committee**

For

I and II MBBS students of 2018 & 2019 batch

**Date: 29/01/2019**

**Venue: Annapoorna Lecture Hall I**

The program began with Thamizh Thaaai Vaazhthu at 10 am. Our honorable Dean Dr.K.Prakasam delivered welcome address with warm words and thought provoking message to the audience.

Dr. Evangeline Jones introduced the speaker with inspiring words. The dignitaries were honored by Dean and Deputy Dean (Administration).

The session was chaired by Dr. K. Prakasam, Dr.G.Kannan, Dr.K.Ezhilvendhan and Dr.Milind .V.Bhutkar.

The speaker Mrs. Ruby Thiyagarajan began her presentation with a video which was a very good set induction. The talk highlighted the significance of respecting humans irrespective of their gender. The speaker explored how, when and where gender discrimination is happening and she also stressed solutions to avoid such problems through her presentation. A very good interaction between the speaker and audience occurred during the session which shows the active participation of the students in the session. The message conveyed in the presentation was optimal and informative. Mr. Dev and Mr. Prabhu who accompanied the speaker provided technical support required for the presenter. Dr. Deepti Shastri proposed heart touching vote of thanks with humble words. Mrs. Pratima V Bhutkar was the master of ceremony who had done a perfect job by making the program a smooth run.

The program ended with National Anthem.

The feedback received from the students about the program revealed that it was useful and informative. They also wished to have more of such programs to be conducted in the future. The feedback suggested was to improve the program organization with respect to power cuts and inadequate refreshments which will be taken into consideration and taken better care of in future programs. The faculty gave similar feedback as students about the program.
