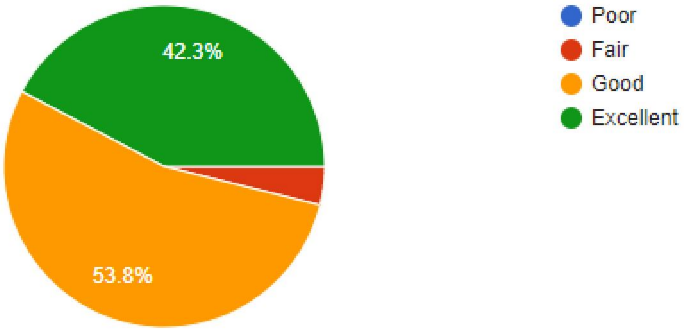
Program Evaluation Report / Feedback

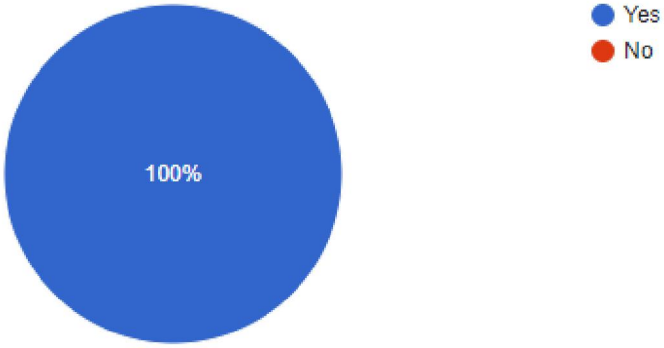
Webinar on "Introduction to Bioethics"

Total Response: 97

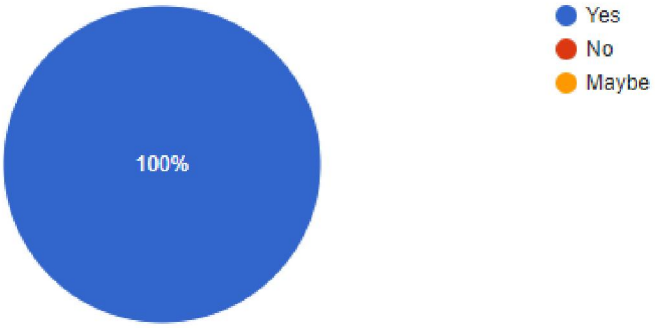
1. What is your overall assessment of the Bioethics Webinar?



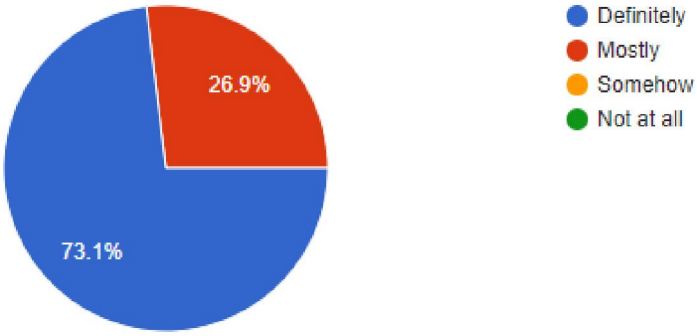
2. Did the Bioethics Webinar achieve its objectives?



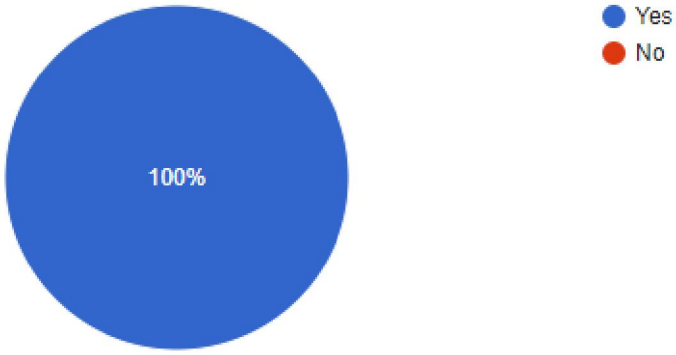
3. Did the Knowledge and information gained from participation in this Bioethics Webinar had meet your expectations?



4. Will the knowledge and information gained from participation in this Bioethics Webinar be useful / applicable in your work in the future?



5. Do you think that the Bioethics Webinar is successful?



6. How do you think the Bioethics Webinar could have been made more effective?
    - More response
    - Fully effective class.
    - Can't get any better.
    - Was sufficient.
    - It's very helpful.
    - Interactive session is very good.
    - It was very informative.
    - If it could come with more case scenarios.
    - Nothing it was perfect.
    - If conducted before BCBR exam.
    - Face 2 Face class would be more engaging.
    - It's effective and informative.
    - Nice only sir.
    - It was good. No more suggestions.
    - Offline classes would be more effective.
    - F2F teaching.
    - If conducted offline, more effective it will be.
    - Please continue the same.
    - Scenario could have explained little better between transfusion and volleyball injury.
