About the event

Welcome address by Dr K Rangasamy – Professor & HOD of Paediatrics

Dr K V Pugalendhiraja- Associate professor introduced Dr Balaji ,Neonatologist who is a national trainer of neonatal resuscitation program.

Our DEAN Prof- Dr Millind V Bhutkar, inaugurated the workshop and delivered the inaugural speech.

Our Medical Superintendent Prof Dr G Kannan, Director corporate Prof Dr K Prakasam, Director hospital development committee Prof Dr K Ezhilvendhan and Deputy Dean Prof Dr Deepthi Shastri felicitated the program. Vote of thanks was given by Dr L. R. Saranya ,Assistant professor.

This workshop was conducted as a part of national newborn week celebration 2020 for Pediatrics and OG postgraduates in the medical education unit block.

Dr Balaji, consultant neonatologist, national trainer ,NRP, briefed the latest NRP guidelines and demonstrated the steps in neonatal resuscitation with mannequin. Our pediatrics and OG post graduates had hands on training in the mannequins. This workshop helped our postgraduates to know the neonatal resuscitation

Seeragapadi, Salem -636 308.

steps, recent updates and guidelines and importance of timely and effective neonatal resuscitation.
