MEGA (Medical Education & Global Advancement)-Webinar Series 2021 -02
On History & Evolution of Blood Transfusion

The Vinayaka Mission’s Kirupananda Variyar Medical College & Hospitals, Salem, celebrated “World Blood Donors Day” by appreciating the blood donors of our college. Through the Blood Donors Club, National Service Scheme (NSS) and Department of Transfusion Medicine, a webinar on “History & Evolution of Blood Transfusion” was conducted on 14.06.2021 at 11.00 am as part of MEGA webinar series.

The webinar was organised by Dr.E.Manivannan, M.D., Coordinator, Blood Donors club, Dr.R.Gowri Sankar., M.D., NSS Coordinator along with Dr. R. Tamilselvi, M.D., HOD, Pathology / Transfusion Medicine. Around 200 students with 60 staff members participated in the webinar. The function was felicitated by the VAB members led by Dean Prof. Dr. Milind V. Bhutkar of VMKV Medical College & Hospitals, Salem. The students created videos of blood donation awareness and posted on social platforms of the institution.

A webinar on History and Evolution of Blood Transfusion was conducted on the occasion of World Blood Donor's Day on 14.06.2021, jointly organised by Department of Transfusion Medicine, Blood Donor's Club and NSS Unit.
