Dear Senthamarai madam,

Thank you very much for your invitation on breastfeeding week celebration. Special thanks to Dean, Dupty DEAN, Hospital Superintendent & Professors for their kind words. I was very much honoured by your invitation and i enjoyed the conference very much; nice participants and the wonderful place. I do appreciate your painstaking work for the organization and engagement of the symposium, and needless to say, your Greek hospitality! It would be nice to see this symposium growing steadily. Food was very nice. Hope my lecture was informative. It was really a memorable day in my life.

Thank you,
