## **Report on Curriculum Implementation Support Programme (CISP) - II**

Vinayaka Mission's Kirupananda Variyar Medical College & Hospitals, Salem conducted CISP – II (2 days programme) through Medical Education Unit on 11.11.2020 & 12.11.2020 under MCI Observer. 30 participants (Pre clinical – 5, Para clinical – 11, Clinical – 14) were trained in the programme. The Medical Education Unit members took the sessions as per the Regional Centre (JIPMER, Puducherry) guidance and directions.

Dr. Medha R., Additional Professor, Department of Biochemistry, JIPMER, Puducherry, the MCI observer observed the sessions online.

Dean Prof. Dr. Milind V. Bhutkar inaugurated the programme and delivered the welcome address. Dr. G. Kannan, Medical Superintendent, Dr. K. Ezhil Vendhan, Director, Hospital Development Committee & Dr. Deepti Shastri, Deputy Dean felicitated the gathering.

The session began with ice breaking by Dr. R. Thamilselvi, Professor & Head, Dept. of Pathology.

The participants attended all the sessions as per the schedule and showed active participation. The participants appreciated and stated that the topics were informative and they gained knowledge through the programme. Pre and post test was conducted and there was a significant improvement in the performance of the faculty.

The programme ended with valedictory function. Vote of Thanks was proposed by Medical Education Unit co-ordinator, Dr. K.C. Shanthi, Professor & Head, Dept. of Anatomy.

**The summary of feedback of each session was as follows :**

**1. Group dynamics and Ice breaking.**

- A break from the routine and self introduction made the session nice
- Initial net issues could be better sorted

**2. Competency based medical education (CBME)**

- A new thing to learn for the first time; which is an outcome based approach

**3. IMG: Goals, roles & Competencies**

- Clearly explained all aspects
- Little more energy may be infused in the talk

**4. Deriving objectives from competencies**

- Nice session; various levels of competencies and the triangle were good

**5. Linking competency objectives to Teaching Learning Methods (TLM)**

- Easy to understand with examples
- Could have been more interactive

## **6. Graduate Medical Education Regulations (GMER) 2019**

- Detailed presentation

## **7. Electives**

- All aspects are excellent
- Want to know little more clear about foreign policy

## **8. Foundation Course Early Clinical Exposure**

- Importance of foundation course and early clinical exposure in curriculum
- Patient history as image or video would have been better.

## **9. AETCOM module**

- Learnt the importance of attitude, ethics and communication
- Need more time

### **Day 2 (12.11.2020) :**

#### **1. Student Doctor - Clinical Teaching**

- Enlightened us on various clinical teaching
- Hands on experience could have been better

#### **2. Alignment and Integration**

- Explained with examples and interaction during the session
- Time management could have been better

#### **3. Skills training**

- One of the most interesting session with live demo of the skills and concurrently scoring in the worksheet
- Prefer offline mode

#### **4. Assessment in CBME**

- Have an idea how to conduct future assessments
- Need to implement and see

#### **5. Aligning assessment to competency objectives & TLM**

- Learnt how competency objectives and teaching learning methods should be made
- Activity might have been planned well

#### **6. Curricular governance**

- Roles of committees in implementation of curriculum were understood.
